Lawrence County Workers Begin Victory Bond Drive

Bond Workers Launch Drive In New Castle

House To House Solicitation
For Victory Bond Sales
Is Under Way

LEADERS PLEASED AT LOCAL START

New Castle Victory Bond
salesmen and women and
those of townships adjoining
the city got away to a flying
start in the last bond cam-
paign Sunday afternoon
when house to house solici-
tation began.

Following the old seventh ward
custom of getting things done
quickly, workers of the seventh ward
made some returns to the Greater
New Castle Association today, with
the team of Margaret Budai of the
second precinct turning in the most.
The house to house solicitation will
last through November 3 and until
then this will be almost the only form
of bond solicitation. Tickets for the
Spur band concert in The Cathedral on
the night of November 3 are be-
ing given out with each bond sale
and this is the only way to get
tickets. They are available exclusi-
vely through house to house solici-
tation.

PA NEW OBSERVES

Strange as it may seem, a local
woman who had recently purchased
a chicken in a downtown market
discovered that the fowl had two
hearts when she went to dress it.

You may not recall it, but five
years ago today, the draft drawing
took place at Washington. First
number drawn was 158. Wonder
how the men who held this number
fared in the war?

No hunting signs are beginning to
make their appearance on farms
and woodlands in this vicinity, an
advance notice that the hunting
season for small game will arrive
on Thursday.

State highway department forces
are already at the task of erecting
snow fences along the highways of
this district. It is to be hoped that
the snows of the coming winter are
nothing like the record storms of
the last winter.

Joe Leckar of the Old Pittsburg
road saw about 200 wild geese on
Sunday about ten in the morning,
flying in a southeasterly direction,
honking loudly. The birds were not
very high. They broke the V forma-
tion several times, finally re-
turning and proceeding on their
journey. Mr. Leckar's father be-
lieved they had trouble keeping
some of the young geese in line.

Radio listeners in the East Side
area are complaining of some per-
son operating an electrical device
late in the evening which is causing
a considerable interference to good
listening.

Quite a number of new commer-
cial "pick-up" trucks are passing
through the city lately which are
due to increased production in the
Detroit area.

How many of the World War 13
Honorary Rolls which have been erec-
ted about the city and county will
remain as permanent memorials?

A downtown church bulletin
board carries the following inscrip-
tion: "Addresses of the Boys in
Service."

'Keep Down Inflation; Buy Victory Bonds'

PHILADELPHIA, Oct. 29.—(INS)—
Undersecretary of Treasury Daniel
W. Bell called upon all Ameri-
cans today to keep down inflation
by putting their extra dollars into
bonds instead of competing for
still-scarce merchandise.
Speaking at a victory loan rally
luncheon honoring Gen. Jonathan
Wainwright on the first day of
the drive, Bell said:
"If these extra dollars are spent
now, they will merely serve to raise
prices; if they are saved, they will
provide an invaluable backing of
purchasing power for maintaining
full employment in the years to
come."
Goal Should Be Reached
Bell said the four billion dollar
goal for individuals, with two billion
dollars to come from sales of series

Tax Bill Will Soon Be Ready For President

Expect Congress To Com-
plete Action On Measure
Probably Tuesday

WILL THEN GO TO PRESIDENT

WASHINGTON, Oct. 29.—(INS)—
Congress will complete action on
the five billion, 900 million dollar
tax reduction bill early this week—
probably tomorrow.
The House was expected to first
approve the measure as it was
finally drawn by Senate and House
conferees. The Senate was expected
to follow quickly the House's lead
and send the bill to the White
House for President Truman's signa-
ture.

Although the reduction con-
templated for both individuals and
corporations exceeds administration
recommendations by almost a billion
dollars, there was no indication of
serious executive department ob-
jection to the bill.

Expect Approval

Congressional drafters of the bill
were confident that President Tru-
man will sign it into law by No-
vember 1. This will permit the in-
ternal revenue bureau to have the
two months' time it asked to pre-
pare for the change.

Attlee May Make Visit To Truman

LONDON, Oct. 29.—(INS)—Prime
Minister Clement Attlee's office in-
dicated today he soon may visit
Washington for important inter-
national discussions with President
Truman.

The London Evening Standard
said Attlee is likely to journey to the
United States before Christmas.
Final plans are not yet completed,
but arrangements already are well
advanced so that the prime minis-
ter may have "full, frank discus-
sions with Mr. Truman over the
whole range of international af-
fairs."

Questioned on this report, No. 10
Downing Street said, "the visit
might take place."

Bethlehem Steel Rejects Demands For Wage Raise

(BULLETIN)
PHILADELPHIA, Oct. 29.—(INS)—
Bethlehem Steel today flatly re-
jected United Steelworkers' demand
for a flat two dollar
a day wage increase for all work-
ers.

Announced following a meeting of
company and union officials, the
charge was based on a company
charge that if the increase was
granted it would have "inflationary
effects" which would be "harmful
to the national economy."

LESS THAN 500 AT FORBES FIELD FOR BOND RALLY

PITTSBURGH, Oct. 29.—A few
hours after some 25,000 fans paid
up to \$3.00 to see the Pittsburgh
Steelers drop a football game to
the Boston Yanks, less than 500
people showed up in the same park
for a rally which opened Pitts-
burgh's victory loan drive.

Some Facts On Victory Loan

WASHINGTON, D. C., Oct. 29.—
Victory Loan facts, hon-
oring the men and women
who won the war, are as fol-
lows:
Dates: October 29 through
December 8.
Quotas: \$11,000,000,000; four
billion in Series E sales, seven
billion from other non-bank
investors.
Reason: Treasury balance
will be drained by December.
Money is vitally needed for
hospitalization, rehabilitation,
retraining, feeding and cloth-
ing men overseas, transporta-
tion home, payment of munis-
cipalities already used.

'Civil War' In China, Report

Communists Report 'Civil
War' Raging In 11 Prov-
inces Of Northern
China

CHUNGKING, Oct. 29.—(INS)—
Fighting which Chinese Communists
frankly described as "civil war"
raged today in 11 provinces of
northern China, with some 15,000
casualties suffered by government
forces in one section alone.

Gen. Yen Hsi-Shan, governor of
Shansi province, said that the Kuomintang forces incurred the casu-
alties in battles with the Communists
east of the Puchow-Taiwan Rail-
way.

Meantime, the Central News
agency claimed that the entire
northern section of this line was
destroyed. The claim was contained
in the text of the Communist com-
munique which has headed openly:
"Civil war."

Report Communists Attack
At least seven other railway lines
were engaged in the controversy
which resulted in the battling.

Some 100,000 Chinese Communists
were reported attacking the rail-
road of Tating in southern Anhwei
province.

Need Production Of 3,000 Military Planes Per Year

WASHINGTON, Oct. 29.—(INS)—
A State-War-Navy-Commerce de-
partment committee told Congress
today that national security requires
a minimum production of 3,000 mil-
itary planes a year to support an
aircraft industry dispersed against
the threat of atomic bomb attack.

The air coordinating committee
of the four departments warned the
Senate Military Affairs subcom-
mittee on surplus property that six
atomic bomb hits would eliminate
"all of the important aircraft
plants" in the Los Angeles area.

For protection against attack and
for future expansion in an emer-
gency, a "major portion" of the
plant dispersion achieved during
World War II should be preserved,
the air report stated. Its direct
cost was estimated at fifteen to
twenty million dollars.

The "low level" production base
of 3,000 military planes was esti-
mated to cost 750 million dollars a
year. An "upper level" to provide
a striking force to maintain world
peace, involving annual output of
5,380 planes, would cost one billion
400 million dollars.

Arrest Thirteen Nazi Agents In Japan Roundup

Nazis Are Jailed Quickly
After Probe By U. S.
Army Investigators

BELIEVE ALL OF LEADERS SEIZED

By FRANK ROBERTSON
(U. S. Staff Correspondent)

TOKYO, Oct. 29.—Arrest
of 13 Nazi agents in Japan
was disclosed today by U. S.
Eighth Army counter-intelli-
gence officers.

The Nazis had been under
close surveillance for some
time and were arrested and
jailed without warning last
Thursday and Friday.

The 13 jailed were believed to
represent all Gestapo and Nazi party
ringleaders operating in Japan.

Super Nazi Taken

Heading the list of Hitler's far
eastern operatives seized was Franz
Joseph Spain, self-styled "super
Nazi of East Asia."

Spain was active for the Nazis in
south Africa before the war and
came to Japan in 1943 to head
German activities. At one time he
had jurisdiction over the entire
Nazi organization in the far east.

Others arrested were: Wilhelm
Seidle, who called himself "Nazi N.
1" in the United States before the
war.

Karl Hamel, a Gestapo member
and onetime secretary of the so-
called "butchers of Warsaw," Josef
Meisinger.

of the German propaganda machine

C. I. O. Asks For Strike Vote In Some 766 Plants

WASHINGTON, Oct. 29.—(INS)—
The C. I. O. Steelworkers union today
petitioned the National Labor Re-
lations board for a strike vote
among approximately 600,000 em-
ployees in an estimated 766 steel,
aluminum and iron ore plants.

An NLRB spokesman said the
strike ballot, which will be con-
ducted in 30 days, was requested in
support of the union's demand for a
\$2-a-day wage increase. The peti-
tion, listing plants throughout the
nation, was nearly 100 pages in size.
The ballot will be the most ex-
tensive ever conducted by the
NLRB.

CIO President Philip Murray, who
also heads the Steelworkers union,
previously announced plans for the
strike vote petition after the steel
companies rejected the union's wage
demands.

Several Strikes Are Reported And
Wave Of Unrest Has
Developed

TOKYO, Oct. 29.—(INS)—Japan
was swept by a wave of unrest to-
day which found students and in-
dustrial workers striking and a
group of 1,000 socialists staging a
demonstration in Tokyo.

Three hundred employees went on
strike at the Toei Mine and Industry
Company of Fukuoka prefecture as
a protest against the discharge of
60 men during the course of re-
conversion to peacetime production.

Hundreds of "teen-aged" Jap stu-
dents refused to attend classes be-
cause of grievances which included
complaints that teachers accepted
bribes in making out report cards.

The socialist demonstration was
held outside the Yomuri building
in Tokyo as a means of expressing
support of the employees' fight for
"democratization" of the Jap news-
paper.

SUPPORT
VICTORY LOAN
OCT. 29-DEC. 8
BY BUYING
BONDS

Victory Loan Campaign Is Opened Today

WASHINGTON, Oct. 29.—(INS)—
Six million volunteers throughout
the nation went to work today on
the eleven billion dollar victory
loan drive.

The campaign was launched by
Treasury Secretary Vinson who de-
clared that the final war loan would
speed up reconversion and keep
faith with the dead and wounded
of the conflict just ended. Vinson
said:

"It will pay for the costs of
bringing home our boys; it will be
used for mustering out pay; it will
help our veterans to pick up their
interrupted education and work."

"Putting your money into bonds
moreover, will build a sound econ-
omy for the nation that will afford
you a prosperous future."

Before the drive ends Dec. 8
the treasury hopes to sell more
than the quota, which includes four
billion to individuals, with two bil-
lions to come from the sale of "E"
savings bonds.

Detroit Barber And Beautician Are Questioned

Quizz Pair In Axe Slaying Of
Mrs. Lydia Thompson Of
Pontiac, Mich.

PONTIAC, Mich., Oct. 29.—(INS)—
A Detroit barber and beautician
awaited police grilling today in con-
nection with the Thompson ax-
murder after allegedly threatening
an employee "because he knew too
much."

The Italian-born barber, William
Jantilo, 49, and the beauty shop
operator, Mrs. Marie Dedenhoff, 38,
were taken into custody on an infor-
mation furnished by one of Jantilo's
employees, Eugene Saragen, told po-
lice that the pair threatened to kill
him because he wrote a letter to
police saying they knew something
about the brutal slaying of Mrs.
Lydia Thompson.

Talked Too Much
According to Detective Inspector
Charles Searle, the Russian barber
said that on Oct. 12, one day after
Mrs. Thompson was believed to have
been murdered, the beautician asked
Jantilo if he did "a good job."

Saragen quoted Mrs. Dedenhoff

Probing Death Of Philadelphia Woman

Socially Prominent Mrs. Barbara
Van Allen, Wife Of Army
Doctor, Found Dead

PHILADELPHIA, Oct. 29.—(INS)—
Police today probed the death of
socially prominent Mrs. Barbara
Van Allen, 23, whose body was
found in the gas-filled bedroom of
her mid-Philadelphia apartment.

Her body was discovered by her
sister and brother-in-law, Pvt. and
Mrs. Ernest Moeck, when they were
notified by Pennsylvania hospital
officials that Mrs. Van Allen had
failed to report to her nursing job
for the past two days.

Husband In Manila
Mrs. Van Allen occupied the
apartment since shortly after her
marriage in 1943. Her husband,
Capt. Maurice Van Allen, is serving
with the army medical corps in
Manila.

Her father, Robert Irwin Brown,
ended his life in a Baltimore hotel
room in 1932. He left a note ex-
plaining financial difficulties caused
him to take her life. A year later,
her mother reportedly slashed her
wrists in what police described as
an attempt to follow her husband
to the grave.

Police said Mrs. Van Allen swal-
lowed potassium cyanide in 1941,
a few weeks before her debut. She
told police she drank the solution by
mistake while making a chemistry
experiment.

Bird In Hand Worth Two On Wire?

Here's a dilemma, as anyone can see. Just off the aircraft carrier
Enterprise and Midway, two sailors had rushed to special phone booths
installed on New York docks—all dialing for a date. When?—Down the
docks strolled two of a species that had seemed almost extinct to sailors
away for many a month. Their problem is whether to whistle or go
on phoning to their "prospects."

Ex-Convict Held In Lorain Murder

Gordon T. Wellman, 23, Con-
fesses Slaying Of Mrs.
Helen Duffield, To
Get Auto

ARREST IS MADE
IN COLUMBUS, O.

LORAIN, O., Oct. 29.—(INS)—An
ex-convict who confessed the fatal
shooting of Mrs. Helen Duffield, 24,
while attempting to steal her auto
to use in forcing his sweetheart
to elope with him today was to be
arraigned on a first degree murder
charge.

Arrested In Columbus
The suspect, Gordon T. Wellman,
23-year-old Lorain steelworker who
once served a federal reformatory
term for auto theft, was arrested
in Columbus. He was unarmed and
surrendered without a fight as 15
police officers, warned that he
might shoot on sight, surrounded
him.

The arrest ended a three-day
manhunt that spread over five
states.
Wellman said that he had never
met Mrs. Duffield, wife of an over-
seas sailor, but told police that he
had spotted her car as she entered
a delicatessen shop. When Mrs.
Duffield left the shop, Wellman as-
sertedly got into the car with her,
demanded her keys and shot her
twice when she refused.

His confession related that he
then drove to a country road, shot
her a third and fourth time when
he found she still lived, and was
attempting to hide her body in un-
derbrush when a farmer surprised
him and forced him to flee.

Wellman said he wanted to use

Naval Officer And Wife Found Dead In Home

Believe Woman Suicided By Hang-
ing, Husband Used Service
Pistol To End Life

WASHINGTON, Oct. 29.—(INS)—
The death of a young naval com-
mander and his socially prominent
wife were listed today as suicide.

The couple, Comdr. John Guthrie
Foster Prescott, 37, graduate of the
U. S. Naval Academy, and Mrs. Al-
berta Prescott, 34, former Washing-
ton debutante, were discovered sui-
cide yesterday in the basement of
a home owned by the wife's
father.

Police said Prescott died from a
bullet in his brain and Mrs. Pres-
cott had been strangled by hanging.
Police and Dr. A. Magruder Mac-
Donald, district coroner, said they
believed Mrs. Prescott had left her
husband in the bedroom, gone to
the basement and hanged herself.

Later, they said, Prescott appar-
ently left his bed searching for his
wife. They said they believed he
had tried unsuccessfully to revive
her, got his 45-caliber pistol from
his room and shot himself in the
head.

Jap Atrocities Told At Trial Of Yamashita

Japanese General Goes On
Trial For His Life Before
Manila Court

WITNESSES TELL OF JAP TORTURES

By PAT ROBINSON
(U. S. Staff Correspondent)

MANILA, Oct. 29.—Hor-
rifying details of Jap atroci-
ties were revealed in dra-
matic sequence today as Gen.
Tomoyuki Yamashita went
on trial for his life in Manila.

Men and women took the
witness stand to reveal Jap
killings and tortures so
shocking that spectators in the
crowded court room
gasped in horror.

Through it all, Yamashita, the
central figure in the drama, sat al-
most unmoved. The former Jap
Philippine commander's line upper
lip scarcely moved and his eyes
bullet head nodded and his neck
swayed as his hearing eyes
followed intently every gesture of
the witnesses.

First Day Of Trial
The first day of the trial which
is designed to place responsibility
for the deaths of 30,000 men, women
and children on Yamashita's de-
scent was interrupted frequently as
the court recessed to decide legal
points.

Again and again the court decided
against Yamashita and legal pro-
ceedings in international law were
established.

The prosecution was upheld in a
statement that the court was an

Long Occupation Of Japan Urged

Gen. Wainwright Calls For
Occupation Until Japs
Are Educated On
Democracy

PHILADELPHIA, Oct. 29.—(INS)—
Gen. Jonathan M. Wainwright, War-
rent today called for occupation
of Japan until such a time that the
Japanese people were educated in
the ways of democracy.

The giant hero of Bataan and Cor-
rean in Philadelphia to join the
Victory Loan drive, pointed out:
"As long as there is a military caste
in Japan, they will build war ma-
chines."

Must Keep Troops There
"We will have to keep troops there
so they won't build war machines
and so they won't be able to start
another war."

He described these "enemies" as
"non-kill and so."

Asked what he thought was the
Japanese reaction to the occupation
troops, General Wainwright pointed
out:

"Under the able leadership of
Gen. MacArthur, we are winning the
confidence of the Japanese people.
They are learning that Americans
are just, honest and upright."

Developments
This hope was spurred over the
week-end by two developments.
They were:
1. President Truman's speech on
United States foreign policy pledg-
ing the nation to co-operate within
the framework of the United Na-
tions organization, appears to have
created a favorable reaction in Mos-
cow.

2. The revelation that Ambassa-
dor to Moscow W. Averell Harriman
had taken an important and com-
prehensive document from Mr. Tru-
man to Premier Stalin at the lat-
ter's Black Sea vacation retreat.
Harriman reported Stalin in good
health and most amiable.

A chuckle my friends for the ex-
pert. Those words who tell you
the way, who explain who will and
just why it is so and this on the
evening before. A chuckle I see
for the experts. For Saturday's
answers were had, the underdog won
and the winners were boxed and
the experts are dumfounded and
and as for those two dollar ap-
propos who stage a dance on a cane,
they're wrong. The blues as they
think of them and they never
will be quite the same. A chuckle my
friends for the experts. For today
they are red faced and blue the
underdog won in full warm a tilt, and
the weather is seventy-two.

Apollo Glee Club Members Gather

Annual Reunion Dinner Is Enjoyed On Saturday Evening

Former members of the Apollo Glee Club, a male glee club which flourished from 1912 to 1926 enjoyed their annual reunion dinner Saturday night, October 27, in the Selwyn Heights Golf Club. About 55 members and guests were present.

Being a glee club, speeches are in a falling market at a reunion of Apollo Club and not a speech was made. But there was plenty of music, good music, vocal, and instrumental. Glee singing was the center of attraction of course but some excellent individual performances were turned in.

Interesting program
Billy Williams headed off the program with a pair of baritone solos, Dave Parsons of Warren, O., followed with some tenor solos, and a piano duet by Mr. and Mrs. John M. Evans followed. Mrs. Evans was at one time the accompanist for the club.

William Wheldon sang two tenor solos and Griff Thomas followed with a reading of James Whitcomb Riley's "Old Sweetheart of Mine." The Apollo Double Quartette was heard in some old time melodies, Terry Carson, with excellent with some violin solos, and Ivan A. Wetmore of Youngstown, O. concluded the formal program with some bass solos.

During the program a short memorial for the departed members of the club was held, directed by Griff Thomas. Messages from a number of members in distant cities were read. One was a humorous letter from Albert C. Harris, a charter member, and long time secretary who had to miss Saturday night's affair because he is confined in a Canton hospital recovering from an automobile accident.

Then came the glee singing directed by David W. Lewis with Mrs. Evans accompanying. Many of the numbers that delighted audiences in years gone by were sung and the men demonstrated their ability to sing the old favorites with youthful vigor and quality.

Election Of Officers
Election of officers is one thing to be dispensed with in a hurry by the Apollo Club and the officers were all re-elected. They are President G. Wilfred Thomas who had charge of the reunion dinner, Vice President Roger E. Francis and Treasurer Griff Thomas. Secretary Francis made a report of the previous reunion, and read messages from out of town members not present and Mr. Thomas presented his financial report. Former members were present from Pittsburgh, Youngstown and Warren.

executive and not a judicial body. The court permitted hearsay evidence and other minor points which regular civil bodies would not countenance.

Defense lawyers, obviously worried by the trend of the decisions on procedure, objected once that the court was violating the United States constitution but this argument was overruled.

It was generally agreed that Yamashita had a bad day at the first court session.

First Witness
Patrocina Abad, 26, attractive movie actress, appeared as first prosecution witness and told how she was shot through the right elbow and then bayoneted nine times by a Jap sailor during a Jap orgy of slaughter in the Manila Red Cross building last Feb. 10.

During the random bayonet attack the actress' 10-month old baby girl was slain and at least 100 other civilians met death at the hands of four crazed Jap sailors.

Yamashita entered the court room at the U. S. high commissioner's old residence in a confident mood but he began to show signs of uneasiness as the court overruled every defense motion.

Yamashita and two other generals, who also faced war crimes charges, and their interpreter Masakatsu Hamamoto, were escorted from New Bilibid prison Sunday morning and placed in newly-constructed cells above the courtroom in the high commissioner's bomb-battered former residence.

Yamashita informed his jailers that he wanted to see no newsmen except "that white fellow, Pat," meaning this correspondent.

"I don't see how I can be convicted," he confided to me, "any more than the United States president or Gen. MacArthur could be if American troops had committed atrocities."

John Lewy, 28, a refugee from Germany, testified that he was bayoneted through the hips and that he saw a man and wife slashed to death while they pleaded for mercy. Lewy counted eighty dead after the Japs left.

Juan P. Juan, Filipino educator, said his wife, two daughters, a daughter-in-law, and six of his grandchildren were slain during the butchery at the Red Cross building.

and Communist leaders flatly admitted the armed clashes threatened full-scale warfare between the two factions and one Communist official went so far as to declare that the action already constituted civil war of a "local" nature.

Control of strategic rail points emerged as the point of dispute, with a Communist spokesman attributing the new fighting to Central government policy in connection with the movement of troops into areas controlled by the Communists.

HALF MILLION DAMAGE
WILKES-BARRE, Pa., Oct. 29.—(INS)—Damage to the General Motors Corporation's parts warehouse and the Karns Transfer garage in Forty Fort were estimated at more than \$500,000 today in the wake of a fire marked by exploding alcohol and anti-freeze.

The Parts Division, firemen reported, sustained the principal loss in the blaze which was discovered around 11 p. m. Saturday.

Deaths of the Day

Miss Kathryn S. Rohrer

Miss Kathryn S. Rohrer, of 823 West Washington street, died Saturday afternoon at 1 o'clock following an extended illness of several months' duration.

Miss Rohrer, daughter of the late Theodore and Kathryn Kahner Rohrer, was born in New Castle, where she spent her entire life. She was a member of the United Presbyterian church.

Survivors included one brother, Charles T. Rohrer, New Castle, two sisters, Mrs. T. J. Mitchell and Mrs. J. E. Cromie, both of this city, and a number of nieces and nephews.

Funeral services will be conducted Tuesday afternoon at 2:30 o'clock from the R. L. Boyd funeral home, North Jefferson street, with Dr. S. E. Irvine, of the First U. P. church, officiating.

Interment will take place in Castle View burial park.

The family will receive friends at the funeral home this evening from 7 to 9 o'clock.

Mrs. Mary Jane Guist Moon

Mrs. Mary Jane Guist Moon, aged 86 years, of Volant R. D. 2, died Sunday at noon at the home of her daughter, Mrs. George Crawford, Conneaut Lake, where she had been visiting for the past 16 weeks. She was the widow of John Munson Moon, who died in 1935.

Mrs. Moon, daughter of the late Peter and Ellen Johnson Guist, was born January 12, 1859, in Springfield township, Mercer county. She was a life long resident of the Grove City community and was a member of Plaingrove Presbyterian church.

Survivors include three daughters, Mrs. Florence Shaw of Volant R. D. 2, with whom she made her home; Mrs. Mary Crawford, Conneaut Lake, and Mrs. Ada Dean, New Castle; a son, Howard S. Moon, Verona; one sister, Mrs. Laura Spear, Mercer; 13 grandchildren and 15 great-grandchildren.

Funeral services will be conducted Tuesday afternoon at 2 o'clock from the Given Shaw residence, Plaingrove, with Rev. Fred Cochran of the Plaingrove Presbyterian church officiating.

Interment will take place in Cemetery of the C. A. Black funeral home, at the Shaw residence, where friends may call at any time.

Louis Reda

Louis Reda, aged 52, 1104 South Second street, Ellwood City, passed away at 4:30 Sunday afternoon.

Mr. Reda was an employee of the National Tube company in Ellwood City for 26 years.

He survived by his wife, Elizabeth Reda, three sons, Ralph and Joseph Reda, both at home; Dominick Reda in the service; five daughters, Mrs. Rose Simon of Ellwood; Mary, Concetta, Delores and Angelina Reda, all at home.

Mr. Reda's father, who survives, resides in Italy.

Funeral will be Tuesday morning at 9:30 in the B.V.M. church with interment in the Locust Grove cemetery.

Mrs. Henry Enz

Mrs. Elviena Enz, wife of Henry Enz of 1925 South Lafayette street, San Gabriel, Calif., died Saturday at 11 p. m. in St. John's General hospital, Pittsburgh, following a three days illness after an operation.

Mrs. Enz was born in Pittsburgh November 6, 1880, daughter of William and Katherine Motz Welker. She lived in Pittsburgh until 17 years ago, when she moved to San Gabriel, Cal. Mrs. Enz spent a year, 1918, in New Castle. She married Henry Enz in 1912 and was a member of San Gabriel Mission, San Gabriel, Calif.

1918, in New Castle. She married Henry Enz in 1912 and was a member of San Gabriel Mission, San Gabriel, Calif.

Surviving are her husband, Henry Enz, and a brother, P. E. Welker of the Harbor road.

The body will be removed to the Campbell North Hill funeral home, Moody avenue at Delaware, this afternoon, where services will be held Tuesday evening at 7:30 o'clock. Rev. A. H. Eley of the Nazarene church in charge.

campaign was delighted with the start made Sunday in the preliminary steps leading to the campaign he has urged that the workers get out and put the campaign over in as short a time as possible.

"The job has to be done and our people will do it," said he. It would be a lot more fun and lot more satisfaction to pass our quota quickly."

In some precincts the workers did not get started on Sunday but are out today. It is the hope of the leaders of the campaign that every house in New Castle, and the townships will be visited this week.

as asking "where are the jewels?" The barber allegedly answered that "everything is all taken care of."

Detroit detectives who questioned Mrs. Dudenhoff and Surgen yesterday charged the beautician made repudiating statements which allegedly implicated the barber.

The pair was held for further investigation after Detective Albert Lantry reported that laboratory tests showed human blood stains in Jantlo's car. Police said a pair of blood-stained shoes and a stained raincoat were found in the barber's apartment.

Crop Goals For 1946 Will Soon Be Announced

Reductions In So-Called War Crops May Be Asked; Plant 365 Million Acres

WASHINGTON, Oct. 29.—(INS)—Agriculture department officials disclosed today that the government's 1946 crop goals, expected to be announced about Dec. 1, will call for sharp reductions in so-called war crops but request a total planting of 365 million acres.

Corn acreage for next year probably will be placed at about 95 million, slightly under the 95,900,000 acres actually planted in 1945.

The department already has announced wheat goals at 68,875,000 acres, which is four million more than was planted this year.

Under present plans soy beans, flaxseed and peanuts—the war crops on which the government placed premiums for production to get badly-needed oil output—will be required in 1946.

It is likely the government will ask farmers to plant about 9,500,000 acres of soy beans, against 10,500,000 acres planted this year. However, if the current subsidy payments on soy beans are removed next year, department officials expect acreage to drop as low as eight million acres.

Venezuela Back To Normal Today

CARACAS, Venezuela, Oct. 29.—(INS)—The revolutionary Junta in Venezuela was reported studying a measure today to abolish municipal councils which assertedly were shown to have been formed through electoral irregularities imposed by the fallen Medina government.

At the same time, an official announcement regarding resumption of airlines operations was seen as an indication of the normalcy predicted in the country after the short-lived and successful revolt which ousted President General Isaias Medina Angarita.

Commercial flights have been resumed within Venezuela and to Rio de Janeiro.

Most of those arrested were associated with Meisinger who was apprehended some time ago after being named on Gen. Douglas MacArthur's original war criminal list.

TAX BILL WILL SOON BE READY FOR PRESIDENT

new tax forms and instructions so that the cut may become effective on January 1.

The bill relieves twelve million small individual taxpayers from the necessity of paying any revenue on next year's incomes. It gives relief ranging from 30 per cent reductions for lower bracket taxpayers to eight per cent to those in higher income brackets.

All told, individuals will be required to pay two billion 654 million dollars less in taxes next year than they would have had to pay under the 1945 law.

Auto Use Stamp Tax Goes

The five dollar auto-use stamp tax was removed from the federal statute books, effective next July 1, the date when the present stamp expires. This will result in additional savings of 140 million dollars to both individuals and businesses.

Congress departed from administration recommendations when it failed to include in its final bill the proposal to reduce high wartime excise taxes next July 1.

Corporations benefited by a total of three billion 136 million dollars through repeal of the excess profits tax on January 1, and the ending of the capital stock tax and the declared value excess profits tax.

Smaller corporations were given reduction of our percentage while larger companies were given a points in their ordinary tax rates, two percentage reduction.

Scientists May Be Allowed To Tell Atomic Progress

WASHINGTON, Oct. 29.—(INS)—The House Military Affairs committee was disclosed today to have approved an amendment to atomic control legislation which would permit American scientists to reveal future secrets of atomic experimentation.

The provision, designed to permit a free exchange of scientific knowledge, would, in effect, allow an American scientist to disclose to foreign colleagues the results of individual research in nuclear energy.

A War department representative who helped write the provision conceded that if an American scientist discovered the secret to a "super" atomic bomb, there would be nothing to prevent him from divulging it to scientists in France, Great Britain, Russia, or any other country.

He added, however, that the scientists could not manufacture the super-atomic bomb in the United States. The official explained:

There would be no restrictions on his revealing it to others, either personally, by letter, or by insertion in some scientific magazine."

Family Mansion Scene Of Susanna Phillips' Wedding

In the ancestral home once occupied by her late great-grandparents, Mr. and Mrs. Thomas W. Phillips, now the home of her cousins, Mr. and Mrs. Charles H. Johnson, Jr., Miss Susanna Idell Phillips, daughter of Mr. and Mrs. Herbert Houghton Phillips, of San Antonio, Tex., and Capt. Andrew Brizos Kelly, son of Mr. and Mrs. Charles Edward Kelly, of San Antonio, were married at a candlelight ceremony on Saturday evening at 8:30 o'clock.

The bride, lovely in a gown of white tulle with full court-length train and a veil of illusion, entered on the arm of her father. She carried a shower bouquet of stephanotis centered with a white orchid. Her only jewelry was a jeweled pin, the gift of the groom. Dr. D. L. Ferguson, pastor of Highland U. P. church, performed the ceremony before an altar of cobalt blue and large white chrysanthemums. Miss Eleanor Berry, maid of honor, wore a gown of pale yellow organza and carried an arm bouquet of yellow roses. Sergeant Davis had his father as best man.

Following the ceremony, the bridal party and members of the immediate families were served a wedding dinner at The Castleton. The bride's table was centered by the traditional wedding cake with bouquets of white pompons and candles at each end.

Sgt. and Mrs. Davis left for a honeymoon at Wade Park Manor, Cleveland, O. On November 2 they will leave for the south to spend some time with Sergeant Davis' parents before he returns to Camp Shelby the last of November.

Mrs. Davis is a graduate of Southern Seminary, Buena Vista, Va., and of Westminster college, Oxford, Ohio. She is the daughter of Mr. and Mrs. Howard Burpo, U.S.N.R., his aunt, Mrs. J. A. McNeely, and Mr. and Mrs. Vaughn Y. Bell and John Bell, of Akron, O.

D. A. C. SIXTEENTH ANNIVERSARY EVENT

Kus Kus Ka chapter of the American Colonists celebrated its sixteenth birthday on October 26 with a luncheon at The Castleton. Mrs. John Emery was hostess for the occasion and had arranged a tempting menu topped with a birthday cake.

Mrs. A. T. Eckles, in charge of the program, opened exercises with a most interesting history of the national society and local chapter. The national organization was effected in 1920 and the Pennsylvania state organization the following year, while Kus Kus Ka chapter was organized in 1929 in the home of the late Mrs. Charles Greer on North Jefferson street with several national officers present.

The chapter was named for a tribe of Indians, the Kus Kus Kies, which made its headquarters in colonial times near the junction of the rivers below Mahoningtown. In its early days the chapter placed a tablet on the bridge as a memorial to this tribe and to perpetuate its place in history. Mrs. Eckles has presented to the chapter a gavel made from the wood taken from a tree which stood on the Kus Kus Kies site at the time of the unveiling of the tablet.

Mrs. Eckles had as participants in the program, Mrs. F. E. Sowersby, Mrs. Earle Cass, Mrs. Emery, Mrs. Marvin Dinmore and Mrs. F. A. Pinkerton. These members contributed interesting details of the early years of the chapter, the early state conventions, meetings held in other places when the chapter had members in Lawrence, Mercer, and Beaver counties, reminiscences of former members and projects undertaken.

A lineage book was presented to the chapter by the national organization in appreciation of Kus Kus Ka's efforts towards increasing membership. For the past year Pennsylvania had the largest number of members of any of the states.

RAINBOW BOARD DISCUSSES PLANS

With a large attendance present, members of the Advisory Board of Assembly One, Order of the Rainbow, met with Mr. and Mrs. Arthur Landis, of Manor avenue Saturday evening, when plans for a number of activities were discussed.

At the second meeting in November, a Puritan Tea will follow the regular assembly meeting. Mrs. William C. Wheldon will have charge of two plays, which members of the assembly will present, interspersed with musical numbers. Mrs. H. M. French has been named as chairman from the board for the tea, assisting Misses Lucille Woods and Maxine Mantz from the assembly.

On December 10, the assembly will be guests of New Castle Chapter No. 105 O. E. S. when a large class of young ladies will be initiated.

On November 30, a fish fry will be held by the assembly in the Cathedral dining room, with Mrs. Besse Pitzer as chairman.

Mrs. J. B. Thompson, of Oklahoma City, first president of the Rainbow board, was present and told of Rainbow and Eastern Star activities in Oklahoma. Mrs. Thompson has been spending a few days in the city.

Lunch was served by the hostess, and Misses Martha Bigley, Bessie Durant, and Clifford M. Prosser.

The next board meeting will take place on Friday evening, November 30, following the fish fry in the Cathedral.

HADASSAH THRIFT TEA ON TUESDAY

Hadassah Thrift Tea will be held Tuesday evening, October 30, at 8 o'clock at Tifereth Israel synagogue, when Mrs. C. J. Reist, tri-state regional president, will be the speaker of the evening.

Other features on the program, of which Mrs. Charles Materson is chairman, will be a reading by Mrs. L. Groden, and a piano selection by Lois Baum. Mrs. R. Rubenstein will act as toastmaster.

Arrangements for the Thrift Tea are in charge of Mrs. S. Levin and Mrs. Perry Frank is chairman of reservations.

Object of the tea is Hadassah's child welfare project to furnish school lunches for Palestinian children.

GARDEN GROUP TO MEET ON WEDNESDAY

Conservation and garden department of the Women's club will meet Wednesday afternoon, October 30, at the home of Mrs. T. J. Paden, 207 Glen Moore boulevard.

Dessert will be served at 1 o'clock, after which the members will hear a talk by Miss Mary Ellen McClain, county home economics extension representative.

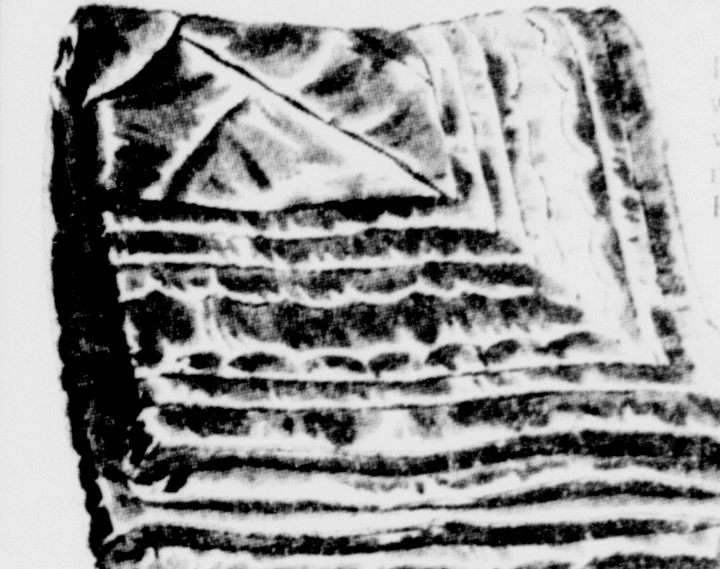

L. A. B. Club
Mrs. Flora Cunningham of East Grant street will entertain the L. A. B. club associates Thursday evening at her home.

BY ERICH BRANDIS

Last night on the radio I heard someone sing that song which started: "Darling, I am growing old—silver threads among the gold—"

I had heard it hundreds of times but somehow last night the words "I am GROWING old" made me think. Maybe because a cantankerous old lady had called on us in the afternoon and expressed her displeasure with the whole world, with President Truman and Stalin, with me, neighbors and with life in general.

And it isn't only the song—the usual expression—be's growing old, she's growing old. There must have been a reason why we call growing old —

LONDON—Anthony Eden, former British foreign secretary, if ever nations begin to throw atomic bombs about, no individual nation's curfew, however well guarded, is likely to avail much.

WASHINGTON—John W. Snyder, nuclear reactor engineer, says we must adapt ourselves to the atomic age.

He says that, if we do not, we will have no other means of transportation, there seems to be no good reason why any of them should drive anyplace at all, school barring very stormy days, of course.

One wonders why parents allow their high school children to own cars. As a group, these young drivers are the most dangerous ones on the road.

Hints On Etiquette

With the last name of her former husband, such as Anna Owen Smith.

The State Police Say:

Deaths in motor vehicle traffic accidents during the month of August, 1945, increased 89.3 per cent when 137 persons lost their lives in Pennsylvania. This number was more than double the 67 persons who were killed in the same month of 1944.

Deaths in traffic accidents were more honorable to beg pardon than to beg a ride in a car. I should like to see this sloganized on the walls of the school. Adults could contribute to the moral welfare of high school children by refusing to pick them up, leaving crippled children of course.

I have a notion there are enough boys and girls on the representation

of deaths is 51 more than the number killed in traffic accidents for the month of August 1944. Pedestrian fatalities also increased during the month of August by almost 30 per cent.

Road Program Being Planned

Preparations For Rural Road Improvements Are Being Outlined For State

HARRISBURG, Oct. 29.—(INS)—Preparations for Pennsylvania's rural road program were expected today by Gov. Edward Martin to be completed by January 1.

Contracts would be approved for the construction of 200 miles of macadam roads and plans completed for improvement of 800 miles of dirt routes by the end of December, the chief executive said. Construction was scheduled to start in the spring, he added.

Governor Martin emphasized that the highway department was completing another project embracing 350 miles of rock-bound highways. These secondary highways, estimated to cost approximately \$14,000,000 in 1946, "meet the needs of agriculture and regional traffic," he said.

The state was prepared to spend \$20,000,000 on widening and resurfacing projects and \$50,000,000 for work on inter-regional, primary and secondary roads, he reported.

Further surveys for highways will be made as soon as engineering personnel is available, the governor declared. "The complete and overall program for highways will give Pennsylvania the finest road system in the world."

50,000 VETS' LICENSED
 HARRISBURG, Oct. 29.—(INS)—The State Revenue department reported today that more than 50,000 Pennsylvania veterans had renewed their automobile operator's licenses since August 1.

Secretary David W. Harris said the Motor Vehicles bureau had inaugurated a special service at the Indianopolis Gap Military Reservation to aid commonwealth servicemen renew licenses.

THE WORLD AND THE MUD PUDDLES

(Continued From Page Four)

The altered six million jobs will be available.

This opening for labor is no small opening. There is a tremendous job to be done by workers and workwomen in this country in the making of material for clothing and there is an agricultural situation in the offing for the southern cotton growers that should result in no mean incomes for the planters of the South.

There are yet many New Castle housewives, not so young as they used to be, that can still remember when they could buy calico yardage for eight cents a yard. Naturally, that price will never obtain again—not as long as we talk in billions. There can be manufactured out of cotton beautiful soft, silky garments. The material may be called muslin or percale or batiste, or nankeen or organdy—what you will: its softness depending upon whether it is twenty, thirty, forty, sixty, eighty or more. And these same housewives, at the present value of the dollar, will probably be willing to pay fifty cents, seventy-five cents, a dollar or as much as One Dollar and a half a yard for this material.

But nothing of this sort can happen in the face of the present labor situation. That situation has got to be ironed out to the end that men and women will be glad to work for reasonable pay.

60,000 RECEIVE AID

HARRISBURG, Oct. 29.—(INS)—Acting public assistance director Robert P. Wray reported today that 60,000 youngsters were receiving relief grants under the commonwealth's aid to dependent children program.

"Living in his own home, the child who is supported by public assistance, has access to the same educational, recreational and other community facilities as other children whose parents are able to provide financial support," Wray said.

BIBLE CLASS MEETS IN BOALICK HOME

On a recent evening, the ladies of the Highland United Presbyterian church gathered in the home of Mr. and Mrs. Howard C. Boalick, Hillcrest avenue.

Plans for the winter activities and the general work of the class were discussed with class president, Henry J. Brannenman, presiding.

A social time followed with the teacher, Charles G. Linder, presenting a new game which was enjoyed by the members.

Mr. Linder has taught the same class at the Highland church for twenty-five years and has taught the Linder class since its inception.

Delicious refreshments were served by a committee consisting of Mrs. Howard Boalick, Mrs. Arthur Meek and Mrs. Henry J. Brannenman.

The next meeting will be held on December 28 with Mrs. Lloyd McCormick, Mrs. Clarence E. Kennedy, Mrs. Harry E. Bock and Mrs. Daniel serving as committee.

SANTELLO-LELENKO WEDDING SATURDAY

Mrs. Margaret Santello of 9 West Home street, daughter of Mr. and Mrs. Charles A. Santello, became the bride of Paul Lelenko, son of Mr. and Mrs. John Lelenko, of Charter street, Saturday morning.

The impressive ceremony was performed in St. Vins church.

Rev. Fr. Nicholas DeMila officiated before an embanked altar and in the presence of friends and relatives. He used the single ring service.

Given in marriage by her father, the bride was lovely in a white Colonial gown with full skirt. She carried an arm bouquet of white roses, centered with two orchids. As her only jewelry she wore a gold cross.

Mrs. Mary Lou Santello as her sister's maid of honor wore a white gown with blue accessories and tulle. She carried white roses. James Pezzone served as best man.

Misses Annie Nero and Helen Lelenko, as bridesmaids, wore pink and aqua gowns with matching accessories and carried matching bouquets.

Ushers were Anthony Pionetti and Thomas Pasley.

Following the ceremony a wedding dinner was served to the immediate families in the Savio hall, South Mill street. In the evening a reception was held in the King Humbert hall.

Mr. and Mrs. Lelenko departed on a wedding trip to Cleveland and other points of interest, and upon their return will reside in their newly furnished apartment, 531 East Washington street.

Mrs. Lelenko is a high school graduate of class of 1943, and is employed at the Shenango Pottery company. Mr. Lelenko is also employed at the Shenango Pottery company.

Republicans To Gather Tonight

Rally Is Scheduled At The
Arena On Grove Street—
Candidates To Speak

Indications at noon today pointed to a large crowd of Republicans attending the rally scheduled for tonight at 8 o'clock in the Arena on Grove street. Republican County Chairman Roger W. Rowland said reports showed an interest in the rally over the county.

Judge John C. Arnold of the state superior court was scheduled to arrive in the city late this afternoon. He will be introduced by Judge John G. Lamoree at the rally tonight. Local candidates will be upon the platform and will be introduced.

Chairman Rowland stressed the importance of the election to be held on November 6, pointing out that there are four amendments to the Pennsylvania constitution to be voted upon and in Ellwood City the voters are asked to express themselves upon a \$100,000 bond issue for a war memorial swimming pool.

The rally tonight starts at 8 o'clock. An orchestra will provide special music, and doughnuts and coffee will be served.

FORT LEWIS, Wash.—(INS)—A general all his army career, but he's never worn a single star. As a matter of fact, he is about to drop his two stripes for plain "mister." That's the record of Cpl. General Forrest Green, medical soldier at Fort Lewis, who'll still be General Green when he is a civilian once more.

Division Chairmen To Report Progress At Luncheon At Noon
Tuesday, Chairman Says

Division chairmen or their representatives will turn in the first official report of the progress of the 1945 Community Chest and War Relief Fund drive at the report luncheon in The Castleton hotel at noon Tuesday.

Chairman William Langan is confident that the reports will show the campaign well on its way toward meeting the \$125,000 quota set for New Castle and surrounding communities.

Independent Produce Workers Shun Strike

PITTSBURGH, Oct. 29.—(INS)—Pittsburgh's Independent Produce Merchants and Hucksters were pledged today not to join the striking AFL Produce Workers Union.

Their action was taken at a meeting of the Independent Merchants and Buyers Association which is not involved in the strike.

Jack Terenzi, vice-president of the association, said that at least a dozen railroad cars of fruit and vegetables would be unloaded today in McKeesport.

Settlement of the strike had been anticipated today. Sudden injection of a new contract clause by the wholesalers created a new controversy Friday as the strikers were prepared to vote on a two-point settlement proposal.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ-laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends each wood creosote by special process with other time-tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Give Real Idea Of Bomb Results In Japan's Cities

WASHINGTON, Oct. 29.—(INS)—The Army Air Forces used bomb-battered Japanese cities as examples today to picture what would have happened in identical operations against 69 American municipalities of comparable population.

The AAF pointed out, however, in its official publication—Impact—that effects of B-29 blastings on morale and war potential were infinitely more disastrous than they would have been in our case "because of America's vastness."

Fifty-five per cent of the U. S. population squeezed into a land only 4 per cent America's size—or about the same area as Montana—would duplicate the very restricted nature of Japan.

But had the tables been turned, America, Tokyo, New York City, would be 99 per cent demolished.

Los Angeles would be 49 per cent wrecked, instead of Nagoya, and Chicago, paired with Osaka, 35.1 per cent wiped out.

Compared to U. S.

The AAF map on which the cities were matched showed only results of Twenty-first Air Force incendiary and high explosive attacks on the built-up areas of Japan, excluding results of one-plane B-29 strikes.

Navy, Fifth and Seventh Air Force assaults.

If it were the United States the following cities rather than the Japanese municipalities listed beside them would have been among those shattered:

Tokyo, 41.9 per cent demolished; Wheeling, Ohio, 44.2 per cent; Springfield, Illinois, 56.3 per cent; Middletown, Tennessee, 63.1 per cent; Cleveland, Ohio, 63.1 per cent; Akron, Ohio, 63.6 per cent.

Baltimore, 63.6 per cent; Richmond, 63.6 per cent; Wilkes-Barre, 64.2 per cent; Rochester, 64.2 per cent; Utica, 64.2 per cent.

Catholics Observe
Feast On Sunday

Catholics throughout the world and locally attended special services Sunday evening, in their respective churches in observance of the Feast of Christ the King.

The special letter "On the establishment of the Feast of Our Lord Jesus Christ as King," was established by Pope Pius XI, on December 11, 1925. Since the proclamation of this papal document, the Catholic world, in accordance with the wishes of the Holy Father, celebrates the Feast of Christ the King on the last Sunday of October.

Exposition of the Blessed Sacrament took place in the local Catholic churches, closing with Holy Hour last evening. The Catholic local radio program last evening also devoted its time to the services of the Feast of Christ the King.

Amazing Discovery
in a Hearing Aid

A big improvement has been made in a hearing aid now welcomed by thousands. It is a new hearing aid that does not require separate battery pack, battery wire, battery case or garment to bulge or weigh you down. So small it fits the palm of the hand. The tone is natural, noisless, clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Beltone, Dept. 2358, 1450 W. 19th street, Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home today, without risking a penny. Columbus Auxiliary
Has Halloween Party

Large Group Of Masqueraders, Folk Dances, Vocal Solos, Playlet, Games Make Big Event

Saturday evening a capacity crowd gathered in Columbus hall and enjoyed the Halloween party and program given under the auspices of the Columbus Auxiliary ladies. Husbands were guests at the occasion.

The event commenced at 6:30. Vocal solos were given by Victoria Esposito, with Louise Dattilo at the piano, the accompanist of the evening.

A folk dance was presented by Barbara Santillo, Gertrude Melchore, Marian Klabon, Helen Christine, Edith Sandora, Marie Ann Domenick, Martha Iovannella, Victoria Esposito, under the direction of Florence Domenick.

A playlet was given by Florence Domenick, Victoria Esposito, Mary Iovannella and Armetta Canale, brought to a finale with a patriotic scene, with Wanda Lee Domenick as "Liberty" and Anthony Sinibaldi and Alexander Christine as "Soldiers".

Games of contest were the next feature, with prizes for the funniest man, Angelo Canale; prettiest woman, Jennie Cennema; apple catching, Charles Toscano; broom prize, Susie Venditto; chair prize, Ralph Mangino; polka dance prize, Mr. and Mrs. John Klabon; grand prize, Ralph Mangino; door prize, Bernice Pitocchi. There was a very large group of masqueraders.

Special guests, who acted as judges, were Clotilda Ross, Edith Semione, Helena Granato, Rocco Tommellelo and Mary Murdoch of McKeesport.

This being the 15th wedding anniversary of the president of Columbus Auxiliary, Mrs. Florence Domenick, a mock marriage ceremony was performed with her husband, Sam Domenick. The society members presented the couple with a lovely bouquet of flowers. The "bride and groom" exchanged gifts. Mrs. Domenick donated an anniversary cake to the auxiliary.

Splendid refreshments were provided by the social committee, Mrs. Margaret Sinibaldi, chairlady; Mrs. Isabelle Masters, co-chairlady; and Mrs. Alice Conti, Mrs. Jane Piscitella, Mary Munno, Angelina Mingo, Victoria Esposito, Helen Christine, Gertrude Melchore, Marie Ann Klabon, Martha Iovannella, Barbara Santillo, Marie Ann Domenick, Edith Sandora, Alice Sinibaldi, Clara Coppell.

A dancing period, accompanied by a local orchestra, brought the occasion to a close.

Mahgi Club Has
Halloween Party

Hostess to the Mahgi club over the week end was Mrs. Ruth Carpenter of 514 West Cherry street.

The gathering took the form of an old fashioned Halloween party. Various games of contest were the pastimes of the evening. Prizes were awarded to Mrs. Helen Henderson, Mrs. Dorothy Shaffer, and Mrs. Lenora Smolinski.

A splendid lunch was served by the hostess, with Mrs. Shaffer as her aide.

Mrs. Lenora Smolinski of Meyer avenue will entertain the group at their next meeting.

Mustangs Plan
Reunion Dinner

On Thursday, November 1, a reunion dinner will be given in the Castleton hotel ballroom, commencing at 7:30. The occasion will be in honor of former Mustang athletes of the ward who have returned and been honorably discharged from the armed forces. Dancing begins at 9.

This event will bring together these friends who have not seen each other since the beginning of

the national emergency. All Mustangs who have not been contacted are cordially welcome and should contact Guy Latano, Roy Denoy or Kenneth Blanton by Tuesday, October 20.

To Get Discharge

Ward Anti-Aircraft Man Fights In Aleutian Islands, With Armored Division In Europe

From the public relations office at Indiantown Gap military reservation comes word that "Cpl. Andrew A. Esposito, veteran of 34 months overseas service with the Army has arrived at the Indiantown Gap separation center for his honorable discharge. His wife, Viola Ann Esposito, resides at 215 Montgomery avenue.

"Esposito, who entered the service in March, 1942, served in the Aleutian Islands for more than two years between 1942 and 1944. He was a member of the 503rd Anti-Aircraft regiment, which fought in Umnak and Attu Islands.

Returned to the United States, the veteran was reassigned to the European theater, where he joined the Seventh Armored Division, a component of Gen. George S. Patton's Third Army, last March. The New Castle boy fought through two campaigns with the Lucky Seventh before VE day.

A holder of the coveted Combat Infantryman's badge, he also wears the Asiatic-Pacific theater ribbon with campaign star, the European ribbon with two bronze stars and the Good Conduct medal."

Added Equipment
At Mahoning School

Principal Fred McClure states that installation of an automatic clock bell was completed Friday in the hall of Mahoning school. The mechanism will cause the bells to ring on the school's three floors.

A horizontal ladder was received recently for the school's playground. This is an addition to the present equipment and is for exercise as an arm and shoulder developer.

During the summer and up to the present the janitor force has been busy cleaning and renovating in the rooms and hall and all look nice and bright again.

LUCKY STARS WITH
MRS. C. DOMENICK

Members of the Lucky Stars club gathered in the home of Mrs. Carmen Domenick of 26 1/2 North Liberty street recently.

Dinner was served at 7:30 p. m. by the hostess, with her aunt, Mrs. Ruth Firelio, assisting.

Music and dancing and games of contest were the evening diversions. Mrs. Mary Domenick and Mrs. Creta Minton were awarded prizes.

The club's next meeting is scheduled to meet in the home of Mrs. Mary Fontana of East Clayton street November 14.

The hostess received a number of lovely gifts.

Telegraphers To
Vote On Strike

PITTSBURGH, Oct. 29.—(INS).—One hundred and fifty members of the AFL Commercial Telegraphers Union will vote tomorrow on participation of a five-hour work stoppage that is threatened Friday, if Western Union Telegraph company offers.

The threat of the telegraphers to stage a demonstration similar to that recently conducted by telephone workers grows out of a test against a War Labor Board directive that granted a four cent hourly wage increase on a nationalizing pattern. The union is demanding a general 20 percent increase.

Junior Red Cross
Dinner On Tuesday

Members of the Junior Red Cross committee and teachers sponsoring the Junior Red Cross in the various school will meet in the Red Cross chapter house on Beaver street for dinner Tuesday evening at six o'clock, according to Miss Elizabeth Breslin, executive secretary.

The JRC drive will open in the local schools about the middle of November.

TWO WILL SEEK
COMMUTATION OF
DEATH SENTENCES

ERIE, Oct. 29.—Robert W. Pepperman, 29, and John D. West, 27, sentenced to death in the electric

chair, will be given a hearing next month for modification of their death sentence to life imprisonment. Elmer Loose counsel for the two men, said he would not argue the degree of guilt of the two men but would contend the death penalty was too severe under the circumstances.

Auto Accident
Near County Home

State police were trying to find the driver of a car which collided with an auto driven by Delbert Reed, North Ray street, near the Lawrence County home, Ellwood City-New Castle highway at 1:25 a. m. today. The car did not stop after the accident. No persons were hurt.

British To Study
Atomic Energy

LONDON, Oct. 29.—(INS).—Prime Minister Clement Attlee told the House of Commons today that the British government has decided to establish a research experimental plant covering all aspects of the use of atomic energy.

Asst. Fire Chief
Harper Stricken

Assistant Fire Chief George W. Harper of 511 Young street was taken suddenly ill at the home

of his brother, Policeman U. S. Harper, of Hillcrest avenue, this morning and is in a serious condition in the Jameson Memorial hospital.

Policeman U. G. Harper had recently been ill, and suffered a slight attack this morning. His brother, George, went to the Harper home, expecting to take him to the hospital in the city ambulance. When a physician arrived he pronounced U. G. Harper in good shape. Just as they were leaving, Assistant Fire Chief George Harper suffered a heart attack and was removed to the hospital instead.

PHILADELPHIA. Mrs. Esther C. Richardson, a fashion coordinator, warned youthful job-hunters that the day of bobby-sox and "cool" suits had passed as far as employers were concerned. Such attire, she said, was an outgrowth of the turbulent war period.

PRODUCE MORE
AND HAVE MORE

A PROPOSAL TO THE NATION

—to its Lawmakers, its Economists, its Farmers, its Industrial Workers and its Business Men

Every thinking American must realize that this country now faces a situation without parallel either during the war or before it.

Before the war we were busy at production of all the things required by a peacetime economy. We maintained a high standard of living, supported the Government with our taxes, exported to foreign countries and enjoyed imports from them.

Then came the war. Production was stepped up to unprecedented levels and devoted almost entirely to military needs. Production of civilian goods was reduced to the barest necessities.

Now the war is over. We turn again to supply civilian needs. But today these needs, unfilled for four long years, are at the highest peak of all time. Our Government's tax requirements are no longer the staggering needs of war, but they are still the enormous needs of war's aftermath—many times greater than before the war. There is also immediate, urgent need for all kinds of goods to aid the recovery and rehabilitation of a war-torn world.

The simple fact is that we have a big job ahead of us.

We can't get it done on the prewar basis of work.

We must produce far more now than ever before!

Recognizing these problems, we have made the following proposal:

International Union, UAW-CIO
411 West Milwaukee Avenue
Detroit 2, Michigan

October 27, 1945

Gentlemen:

General Motors proposes that the UAW-CIO join with it in petitioning the Congress to change the Wage and Hours Act to make the standard work week 45 hours in place of 40 hours during the postwar reconstruction period. This proposal is made recognizing that the country has a big load to carry in cleaning up the aftermath of the war, and that under these conditions we can all have more only if we produce more.

The reason for this proposal to change the law is that the present law putting the penalty of overtime pay of 50% on the extra hours over 40 discourages employers and business generally from planning such extra hours of production, thereby tending to reduce the country to a 40-hour week when the country and the world are demanding more production at lower prices.

With this change in the work week, we propose that all wage rates be increased approximately 6%, so that men working 45 hours at the new straight time rates will make as much money as they do now for 45 hours of work. This proposal would increase the earnings of those working less than 45 hours and would also increase the extra compensation for any hours worked over 45, since such hours would be paid for at time-and-a-half based on the new rates.

Your first impression of this proposal probably will be that it is a reactionary idea, and not in the interest of labor. It is not reactionary any more than working longer hours in the war emergency was. We are sure that it is in the best interests of all the people of our country, and particularly in the best interests of all workmen.

If the 40-hour week was sound prewar and the 48-hour week during the war, the 45-hour week is sound for the immediate period following such a world catastrophe as we have been through. All Americans are expecting an even higher standard of living postwar than we had prewar. This can be accomplished at this time only by producing more, as we now must carry the huge additional tax burden and other expenses growing out of the war. The simple fact is that we have a big job ahead of us. We cannot get it done on the prewar basis of work. We must produce far more than we did in the past.

The workmen of other nations will work far more than 45 hours. In many cases they will have only a bare subsistence living while they are doing it, because of the lack of good tools and machinery, like those supplied by employers in our country.

This proposal has much to recommend it.

1. It avoids a substantial reduction in weekly earnings.
2. It prevents inflation and preserves the purchasing power of war bonds, insurance, social security and other savings.
3. It does not upset the balance between agricultural workers, salaried workers and industrial workers.
4. It will produce more goods and services, and the people of our country will have more.
5. It will create more good jobs and the employment of more people. Just as many men and women will be employed in our plants on a 45-hour week as on a 40-hour week. And it will allow the use of our plants for the extra five hours when they would otherwise be idle.
6. It will stimulate business activity and create more jobs, and result in the employment of many more people in all related businesses.
7. If our plants could be scheduled to work on this basis, we would produce nine cars where we would otherwise have produced only eight. It will mean that one man out of nine will have a car who would otherwise go without.

We believe that a 45-hour week is necessary and desirable during the period of postwar reconstruction, for the following reasons:

1. During this period our country will be shipping food, materials and machinery to other countries all over the world to help them rehabilitate themselves and avoid starvation.
2. We still have an extra expense of bringing our fighting men back home and fitting them into civilian work.
3. We still have high taxes, which necessarily are a charge against industry and all producers.
4. To develop and apply technological improvements and to reorganize industry takes time—years, not months.

It is hoped that at the end of this postwar reconstruction period:

1. Our relations with other countries will be on the basis of a two-way street, where we shall get back goods and services for those we supply.
2. The fighting men will be back at peacetime work, and the aftermath of the war will be over.
3. Government expense and the number of Government employees will be reduced and not be such an excessive burden on all producers.
4. Technological improvements—the better ways of doing all the things that are necessary to deliver products to customers—will have become effective.

We can then have a 40-hour week with more leisure time and more goods and services, and can continue to improve the standard of living of all Americans.

Yours Very Truly,
C. E. WILSON,
President

WHY WE BELIEVE EVERYONE SHOULD FAVOR THIS PROPOSAL

It would help America to produce more and have more—

It would provide for higher wages without the certain necessity of higher prices—

It would help to strengthen buying power, sustain the tax requirements, and maintain the value of war bonds, savings and insurance—

It would be good for the working man, good for the employer, good for the farmer, good for the professional man, good for the housewife—

Good for America!

Gideons' Group Dinner Event

Gathering Precedes Sunday
Program In Churches Of
City And County

During the morning or evening services on Sunday, approximately fifty churches were visited by a member of the Gideon organization from Altoona, Philadelphia, Erie, Pittsburgh, Youngstown, Camden, N. J., Ellwood City or New Castle, who addressed the congregation and gave an account of the splendid work done by the Gideons on the placing of Bibles in hotels, hospitals, and other public institutions, and distributing New Testaments among the men and women of the armed forces.

On Saturday evening at 6:30, a splendid Fellowship Dinner was given in the Coral Room of The Castleton hotel, when about one hundred persons sat down to the repast, coming from various parts of the state.

Chappell Chairman
Chairman for the occasion was Robert Chappell, president of New Castle Camp of Gideons; toastmaster for the evening was B. French Johnson, local Gideon, who officiated in that capacity in an efficient manner.

The invocation was given by Rev. Ralph Neale of United Presbyterian church, New Wilmington.

Group singing during the evening was led by Edward Furniss of Ellwood City, to the accompaniment of Mrs. Walter Bender, member of the ladies auxiliary. There was a vocal solo by Mrs. Clare Lutz, of the auxiliary; scripture reading by A. H. Robb, chaplain of local Gideons.

Prayer was offered by Rev. Owen Shields of Croton Methodist church.

Welcome Given

An address of welcome was given by Rev. Walter Gilliland, president of New Castle Ministerial association. Rev. J. C. Myers, president of Ellwood City Ministerial association also gave an address of welcome on behalf of that city. Both spoke highly of the achievements of the organization and its aid in the spiritual uplift of the American people.

Two splendid selections were given by the "Youth for Christ" girls vocal ensemble, under the direction of Miss Mary Virginia Roberts.

J. D. Williams of Erie, on behalf of the assembled Gideons gave the response to the addresses of welcome and told of the organization of New Castle Camp, three years ago, and praised the camp and its president for the work they had accomplished.

Presents Officers

President Chappell introduced the state and city officers of the Gideons, and had the ministers and wives present from the county to introduce themselves. Mr. Chappell gave a summary of local work done. Mr. Furniss favored with a vocal solo, followed by prayer by T. R. Ross, state vice president of Altoona.

The main speaker was Samuel Reid, state secretary of Philadelphia, who gave a stirring address. He said that General Douglas MacArthur had requested 50,000 Bibles for the South Pacific. The Gideons and publishers succeeded in planning for a Bible that would fit the coat pocket, and weigh one pound, about one half the weight of the present Gideon Bible. Five thousand of the new Bibles have already been shipped. Mr. Reid spoke of testimonials received from hotel patrons having used Gideon Bibles, and those in the armed forces using the Testaments.

Forming into the Gideon Circle, the group sang "Blest Be the Tie That Binds" and the benediction was pronounced by Rev. E. R. Truman of the C. and M. Alliance church of this city.

Gen. Wainwright To Open Bond Drive In Philadelphia

PHILADELPHIA, Oct. 29.—(INS.)—Gen. Jonathan Mayhew Wainwright, hero of Bataan and Corregidor, will receive the acclaim of Philadelphians today as he opens the Victory loan drive.

Hundreds of thousands of persons are expected to line Quaker City streets as the lean general, who led the last-ditch defense of the Philippines and suffered humiliating treatment in Japanese prison camps, heads a 35-mile parade through the city.

Gen. Wainwright, his wife and son, Capt. Jonathan Wainwright, 5th arrived by plane in Philadelphia late yesterday. After the parade, he will appear at an outdoor bond rally in mid-Philadelphia, and then will be feted at a luncheon sponsored by the Poor Richard club. Undersecretary of the Treasury Daniel W. Bell and former Supreme Court Justice Owen J. Roberts also will speak.

Gen. Wainwright will also appear at a war activities committee luncheon which will launch the motion picture industry's part in the victory loan drive.

He will then tour south Philadelphia on his way to the southwest airport.

SHE FAINTED

Fainting is a pretty common occurrence. It is a good idea to know what to do when someone faints. A good plan is to have the fainter seated. Then bend the body over till the head is on the knees. Usually in a moment, color appears in the face and consciousness returns.

Afterward a short rest, lying down, is some times needed. Sometimes if a person feels as though she might faint, bending over while seated may prevent it.

Free Hunting License Only For Servicemen

HARRISBURG, Oct. 29.—In an announcement today game officials pointed out that while residents of this commonwealth in the armed forces may secure free hunting licenses from the county treasurers while they are in service, this privilege does not apply after they have been discharged.

Those who may be discharged

after having secured their current license may continue to use it for the remainder of the season, but will have to purchase a license before they hunt next year.

Officials also said it is not necessary for hunters to purchase a duck stamp in order to hunt woodcock or mourning doves in Pennsylvania. The season for woodcock opened October 10 and closes October 24, while the dove season does not open until November 1 and closes November 30.

The Duck Stamp Act applies only to migratory waterfowl, which in-

cludes brant, wild-ducks, geese and swans, on all of which there are open seasons except swans.

E. & A. Veterans Have Reunion

Long Time Employees of
Penna. R. R. Gather Here
In Yearly Event

For the 23rd time the veterans of the Erie & Ashtabula division, Pennsylvania railroad, met Saturday, October 27, in The Castleton hotel for their annual reunion dinner. About 115 were present, men from all parts of the division, some of them men "brought back" with 30 years experience back of them, others who started service as far back as 1870, and who long since have retired.

As it always is, the reunion dinner was a happy occasion. The old timers swapped yarns of the old days, enjoyed a good turkey dinner, saw a floor show and heard a few short speeches. Edward M. Fisher was the master of ceremonies of the day.

Sing America

Prior to the service of the meal, the crowd sang "America" with Morgan Jones directing and Charles W. Fleming at the piano. Then the dinner which had clearance orders from the soup to the coffee. Pennsylvania railroaders believe in finishing the job and clearing the plates was the immediate order of the day.

Following the dinner Mr. Fisher called upon Superintendent Paul M. Trippe for remarks and Mr. Trippe expressed his pleasure at being present, albeit he said he was a comparative youth in such a gathering. Fred Haus, a visitor from the Maryland division, spoke briefly and brought greetings from his fellow workers. J. H. Henry, trainmaster, spoke briefly and the following acknowledged introductions: George Perry, master carpenter; C. W. Weaver, superintendent of telegraph and signals; Howard Seay, track superintendent.

Following the brief program the students of the Dorothea Stewart dance studios presented a floor show which was enjoyed. The annual election of officers resulted as follows: president, Gerald A. Gulligan; first vice president, C. W. Fleming; third vice president, William E. Francis; fourth vice president, C. E. Armstrong; fifth vice president, N. F. Petrovic; secretary, Edwin M. Fisher; and treasurer, R. E. O'Donnell.

Committees In Charge

In charge of the day's events were the following committees: Committee on arrangements, B. G. Peterson, chairman, who retired as president of the association; R. E. O'Donnell, E. M. Fisher, G. A. Gulligan, C. W. Fleming, H. F. Shide; Reception committee, S. H. Dennis, R. A. Franklin, V. C. Smith, D. E. Crist, Morgan Jones, R. Linton, I. W. Tate and C. P. Cox.

The two oldest veterans of the association were present. Samuel Mullohill, a former engineer, 83 years of age on Sunday, October 29, came down from Erie to attend the dinner and had a day of pleasure. Mr. Mullohill started to work for the Pennsylvania railroad in 1870 and retired in 1920.

Percy Lavarack, retired supervisor of signals is a mere 88 and also had a big day of it. He started in signal work in England as a boy of 14 with his father. In his day he installed signal equipment upon railroads in Ireland, France and Belgium and then came to the United States. For 33 years he was supervisor of signals for the E. & A. division.

Memorial Division

The one touch of sorrow in the program came when the memorial service was held. As each of the names of 24 veterans who died during the year was called, Miss Patricia Weaver placed a white carnation on a board and when completed the figure was a white 24. One name was not included in the flowers, that of H. R. Samuels, an engineer who died October 25 after the arrangements for the service had been completed.

Following are the veterans who died since the last reunion:

Name Occupation Place
Lionel Mullohill, retired New Castle
George Johnson, brakeman, Wampum
William Headier, conductor, Ashtabula
Ralph Allen, conductor, Youngstown
W. M. Smith, conductor, New Castle

Lady's Stomach Was Like A Gas Factory; Meals Turned To Gas

One lady said recently that her stomach used to be like a "gas factory." That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches and constant irregular bowel action. Now, however, this lady says she is FREE of STOMACH GAS and she says the change is due to taking ERB-HELP. Her meals agree with her. No gas or bloating after eating. Headaches and constipation are gone. "Oh! what relief," states this lady. "Why don't other gas and constipation sufferers get ERB-HELP?"

ERB-HELP contains 12 Great Herbs that cleanse bowel, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Sold by All Drug Stores here in New Castle.

Special Donations Aid Fund Campaign

Voluntary subscriptions, given even before the donor has been approached by a fund drive worker and in some cases when the person would not even be expected to give, are adding even more spirit to the Community Chest and War Relief Fund campaign now in progress.

One of these contributions, from a local branch of a nationally-organized firm, came into the Community Chest office on September 26, long before the drive was announced. Another came from a man who was once helped by the Community Chest and who, ever since, has contributed regularly in appreciation for the aid he received.

And still another came from a woman who has lived in the East for years, but who sends her check to the local Community Chest office every year.

"With contributions like these coming in, the drive is sure to reach its \$125,000 goal," Chairman William Langan states.

Student Advisory Committee Set Up

NEW WILMINGTON, Oct. 29.—A student advisory committee is being set up in the secretarial science department at Westminster college to give students some influence on the curricula and methods of the department.

The committee of 20 students will study in detail each course offered in the department. Appointed sub-committees will be assigned a specific area with instructions to evaluate current methods, materials and texts. Their recommendations will be discussed and evaluated first by the whole committee and then by the teaching staff.

All classes will be represented on the committee. Fourteen members are to be elected by the students and six appointed by the staff.

Barbara Carnegie Will Be Married

STOCKHOLM, Oct. 29.—(INS)—Barbara Carnegie of the wealthy American industrial clan, was reported today to be planning to marry a Swedish-born airline pilot on December 1.

TODAYMany See Salvationists
Collect; Others Receive

To the majority of the people the Salvation Army means a group of Salvationists standing on the street corner... a uniformed worker knocking at the door asking you to purchase a Salvation Army weekly periodical, "The War Cry"... the young man on your doorstep collecting newspaper, furniture, and clothing... the lassies ringing a bell beside the Christmas kettles. All these are outward signs, and by these outward signs—and these only—do some know of The Salvation Army.

What an eye opener it is to these people to hear that this local participant in the Community Chest drive is part of a world-wide organization with established units in 97 countries and colonies around the world preaching the gospel in 104 languages under the leadership of thousands of trained officers in full time service.

Services rendered the men in the armed forces, their families, the hospitalized veteran, and the returning veteran cannot be estimated in statistics or dollars and cents. Many hours are spent in visitations—interviewing human failures, and many hours giving advice and counsel to those not necessarily seeking material aid, all adds to the constructive rehabilitation work of The Salvation Army.

Thirty-five youngsters from New Castle were given a ten-day vacation during the month of July... 165 families were provided with Christmas cheer to make the holiday a little brighter... Santa Claus presented 100 children with toys, fruit, and candy at the annual Christmas party... invalids and shut-ins were presented with flowers and fruit... the residents of the

County Home were presented with a gift, candy, and treat.

These and numerous other services are rendered daily that cannot be measured in dollars and cents, and yet means so much to the recipient.

In addition to these multiple tasks of The Salvation Army, a full schedule of indoor and outdoor meetings are carried on by the local Salvation Army Officers and its members.

Kappa Delta Pi
Has Tapped Five

NEW WILMINGTON, Oct. 29.—Kappa Delta Pi, honorary education fraternity at Westminster college, has tapped four students and one faculty member.

Betty Jane Nickerson, Willwood, N. Y., senior, and Juniors Grace Jones, New Brighton; Martha Shoup, McKeesport, and Rodin Bars, East Orange, N. J., have been asked to join the local chapter.

J. I. Reaney, newly appointed instructor of economics, sociology and education, will also be initiated.

Fifteen Named On
Staff Of Scrawl

NEW WILMINGTON, Oct. 29.—Fifteen new members have been elected to the staff of Scrawl, campus literary magazine, according to Editor Margaret McLane, McKeesport.

Named to the literary staff are Roslyn Bars, East Orange, N. J.; James Cory, Wilkensburg; Clifford Jones, Sharpsville; Colleen Gibson, Tarentum; Claire Quigley Wilkensburg; Lois Waite, Pittsburgh, and Mary Ellen Stewart, Ulica.

Mary Ann Rayson, Columbus, O., and Marlin Wiggins, McKeesport, have been added to the business staff. Mary Lou Sande, Monaca, N. Y., and Shirley Robinson, Buffalo, N. Y., will be staff stylists.

Assisting on the art staff are James Sides, Dunkirk, N. Y.; Mary Crisen, Farrell; Mintie Jane Eberhart, Elizabeth, and Betty Shaffer, Greensburg.

The theme for the new fall issue will be "Blueprints of the Future".

Vast Fortress
Underground
Made In Japan

TOKYO, Oct. 29.—(INS)—A vast underground fortress, hurriedly constructed to shelter Emperor Hirohito and the Japanese high command, was disclosed today by the Nipponese newspaper Mainichi.

The Tokyo paper said the 60-million yen project was to be used in the event of Allied landings on the home islands, which, Mainichi said, were expected in June.

The fortress is located in Nagano prefecture in an area connecting three mountainous near Yashima.

Mainichi said the project was begun one year ago when 7,000 Korean forced laborers were pushed onto the job by contractors who drove them in the hope of winning a 500,000-yen bonus for speedy completion.

When Hirohito learned of the

project, the paper said, he objected in vain on the grounds that "such a big project will bring trouble to the local populace," then reported as "greatly disturbed."

Joe Louis Gets Ready For Bout With Billy Conn

Champion Plays Golf In California To Develop Legs For Title Fight

By RUPERT HENDRICKS
(International News Service Sports Writer)

LOS ANGELES, Oct. 29.—Joe Louis, who is doing no boxing with Joe Louis the soldier, from G. I. Joe back to Joe the Giant Killer looks like a small step for the Brown Bomber.

He is in Los Angeles ostensibly for a vacation, but true to his old form is making his vacation pay its own way.

On the golf links from early morning to dusk, Joe is enjoying himself no end. But he is also getting himself in shape for that important date in June when he meets Billy Conn in defense of the title he has held since 1938.

Readjustment—highly publicized as a psychological hurdle to many a discharged serviceman—to Joe is merely a matter of doing what is necessary to prepare himself for the job ahead.

Plays Good Golf
His next big job is to defend his world championship title. So Joe is getting ready for it—and having a lot of fun in the bargain.

"Golf," says Joe, "is very good for the legs, and legs are 85 per cent of the fight business."

But it isn't just his legs Joe is thinking about when he gets out there with a brassie and a niblick. He modestly describes his playing as "not very good." But he added that description yesterday with a score of 81 at Hillside Country club.

Joe never has been a shrinking violet, but neither has he had a reputation for idle boasting. Before most of his big fights he expressed confidence in himself without resorting to the usual "I'll moider 'dat bum" technique.

The Conn fight is no exception to the now familiar Louis prognostication. "He's a good man but I think I can beat him," said Joe soberly.

No promises of a quick knockout. No boasts that he'd lay Conn low in the first 10 seconds.

SAW NAZI ATROCITIES
MONTROSE, Colo.—(INS).—Victims of Nazi brutality whose legs were bowed so badly, apparently from torture, that they walked with the greatest difficulty and numberless victims of starvation and disease were seen by Pfc. John L. Hart of Montrose, Colo. Hart, home on furlough, lost 18 pounds during a six-week period of imprisonment at Hammerstein, a village near Neustettin, in northeastern Prussia.

Boston Yankees Defeat Steelers

Score Is 10 To 6 Sunday At Pittsburgh, Packers Win, Cleveland Loses

(By International News Service)

Of man Hutton, like Ol' Man River, just keeps rolling along—and today the irresistible Green Bay Packers have pounded another nail in his already firmly-soured reputation as one of football's all-time greats.

All Don Hutton did Sunday to feature professional football play was score three touchdowns and kick three extra points to lead his mates to a 23 to 14 victory over the Chicago Cardinals.

Cleveland Dumped
Green Bay's victory, added to the 26 to 14 defeat of Cleveland by Philadelphia and Detroit's 16 to 10 victory over the Chicago Bears, threw the National league's western division into a three-way tie.

The eastern division lead was shared by Washington and Boston. Washington defeated New York, 24 to 14, while Boston downed Pittsburgh, 10 to 6.

The defeat of Cleveland, hottest team in the league, set the stage for another free-for-all race to the wire as the teams commence the second half of the season next Sunday with these games: Green Bay at Chicago Bears, Cleveland at New York, Detroit vs. Boston Yankees at Boston, Philadelphia at Pittsburgh, and Chicago Cardinals at Washington.

Plan Strike Vote For G.E. Company

NEW YORK, Oct. 29.—(INS).—The United Electrical, Radio and Machine Workers Union, CIO, today completed plans for a strike vote against the giant General Electric Co. with the National Labor Relations board.

More than 170,000 GE employees in 34 plants throughout the country would be affected by the decision of the vote, which union spokesmen said was prompted by the refusal of the company to grant \$2 a day pay increases.

Union officials also stated that 30,000 members employed by General Motors in the electrical manufacturing industry had also asked a strike vote on the same grounds.

BURGLARY NETS
THIEF 30 CENTS

Burglar who entered Britton's clothing plant Elm street, during the week-end did not profit commensurately with the sentence he will receive upon apprehension and conviction.

He obtained only 30 cents. The thief removed a screen from a small window of a lavatory to enter the building. The thief must have been tall, stood upon a "rest" of some kind or been boosted to a window, because the window is 12 feet above the ground.

Bluege Signs For Two More Seasons

Senators Hand Manager Contract For 1946-47 At Probably \$20,000 Per

WASHINGTON, Oct. 29.—(INS).—Ossie Bluege was named manager of the Washington Senators Saturday by General Clark Griffith, who gave the former infielder a two-year contract.

In keeping Bluege at the helm, Griffith did not disclose the salary figure attached to the contract, but indicated it was "substantial."

Reports are that Bluege will receive in the neighborhood of \$20,000 annually.

Four Games In County Friday

Aliquippa At New Castle, Beaver Falls At Ellwood, Mercer At Union, Girard At Bessemer

There will be four games on Lawrence county football fields on Friday, November 2, with two of them afternoon tilts and two under the lights.

The afternoon games will take Mercer High to the Union High field at 2:30 o'clock where the victoryless Scotches will ring down the 1945 curtain hoping to break the jinx. Girard, Ohio, High will play at Bessemer at 3 o'clock, in the final home game for Bessemer.

Aliquippa at New Castle
New Castle High will entertain the Aliquippa High Indians at the stadium at 8 o'clock Friday night, in the ninth game on the card, and with New Castle having a little to even up with the Indians for a 12 to 0 defeat posted on New Castle last year at the valley stadium.

New Castle came out of the bruising 27-7 victory at Clairton last Friday in fair shape. Tate and Flores are still bothered by Charlevilles, and Belts is still nursing a bad ankle, but all three boys will no doubt see a lot of action this week.

The Phil Bradenbaugh machine will be seeking its eighth win Friday night against one defeat, and its fifth Class AA victory, having defeated Butler, Sharon, Farrell and Clairton.

Beaver Falls at Ellwood
The Ellwood City High Wolverines will close their 1945 program Friday by meeting the powerful undefeated Beaver Falls Tigers at Lincoln field at 8 o'clock.

The Tigers hammered the Aliquippa Indians last Friday, 21 to 14, while Ellwood posted a 24-0 defeat on Greenville. Ellwood hopes to be the first club this year to twist the Tigers' tail.

Elmer Dailey Announces Four Teams In Loop Already, Sees Two More Joining

ZANESVILLE, O., Oct. 29.—(INS).—The class C Mid-Atlantic Baseball league today was slated to resume play next season with four and possibly six teams in action.

Elmer Dailey of Ebensburg, Pa., president of the circuit, said league members next season definitely would include Erie and Johnstown, Pa., and Dayton and Youngstown, O.

Need Two More
He said he had been authorized to line up two other teams and indicated he would have an announcement shortly, possibly during or before the minor league meeting in Columbus, O., early in December.

Youngstown and Johnstown were added to the league after Canton, O., and Charleston, W. Va., reported they would be unable to operate next year because of lack of park facilities. Both teams, however, said they would seek admittance for the 1947 playing season.

League officials released Zanesville and Springfield, Mid-Atlantic members in 1942, so they could continue as members of the class D Ohio State loop.

Bartle-Wheeler Fight In Ellwood

Eight Bouts On Fight Card Tonight At High School Gym At 8:30 O'Clock

(Special To The News)
ELLWOOD CITY, Oct. 29.—Eight classy bouts are on the fight card tonight at the Ellwood City High gym, in a show being sponsored by the Ellwood Dapper Dan club for the benefit of the high school football training camp fund. The bouts start at 8:30 o'clock.

The two main bouts on the card will feature Benny Bartle of Warren, Ohio, and Tony Arkett of Ellwood City against Gene Gaven of Youngstown, Ohio.

Coming from Pittsburgh to see the show will be Jake Mintz, fight promoter and his star boxer Jiste Fontaine.

Jones Ruled As Ineligible For Pro Grid League

Elmer Layden Bans Edgar (Special Delivery) Jones From Chicago Bears Lineup

CHICAGO, Oct. 29.—(INS).—Edgar (Special Delivery) Jones was declared ineligible for further competition in the National Football league today by Commissioner Elmer Layden.

Jones' intention to play only this year in the national league, then enter competition next year with the Cleveland Browns of the independent All America league, was the pgr on which Layden hung his decision.

The Layden ruling came as the Chicago Bears—one of three clubs with which Jones has signed a contract—were planning to use the former University of Pittsburgh star Sunday against the Detroit Lions.

Jones has been the center of a heated controversy since last Sunday, when he made his first national league appearance for the Bears against the Cleveland Rams. The Bears lost, but the hard-hitting back, just out of the Navy, started.

Start Investigation
Jones had arrived in Chicago only two days before the game, and signed his contract the day before. The day after the Bears-Ram game the owners of the San Francisco Clippers of the Pacific Coast league protested that the Pitt graduate was under contract to his team.

Then the Cleveland Browns of the All America league, which is scheduled to begin next season, said they, too, had a contract with Jones, but had granted him permission to play this year with the West Coast team—but not the Bears.

Layden promptly began an investigation.

Attacks, Beats Up 'Elmo The Mighty'

Mayor John H. Haven In Police Court Today Imposed \$50 Fine Upon Elmo's Assaultant

Time was when Elmo Clark, known to ring fans as Elmo The Mighty, was paid for fighting professionally, but in police court today Mayor John H. Haven fined Alphonse J. Colucci, 1912 Hamilton street, \$50 for making an alleged unprovoked attack on Elmo when required treatment in the New Castle hospital.

According to police, Elmo was standing in Division street with Paul Straw and Clyde Hall when Colucci, approached, struck and kicked Elmo then kicked him in the face. Straw and Hall interfered and took Elmo to the New Castle hospital for treatment.

"Who did you strike him?" Mayor Haven asked Colucci.

"He beat me up last Christmas," Colucci responded.

Fifty dollars in default of which you are to be committed to the county jail for 30 days," was the mayor's sentence.

Izaak Waltons Elect Officers

Propose Committee To Study Advisability Of Controlling Timber Cutting

HARRISBURG, Oct. 29.—(INS).—A committee to study the advisability of controlling timber cutting by state law was proposed today by the Izaak Walton league of Pennsylvania.

During a two-day convention which ended yesterday at Harrisburg, the league supported a resolution calling for the appointment of a committee to study the situation with particular consideration to the problems of control over privately-owned wooded lands.

Members also approved a resolution urging cigarette manufacturers to produce a non-combustible butt.

Officers Elected
Prior to adjournment, the following officers were elected: Howard W. Shilling of Huntingdon, president; Wendell Stone of Uniontown, T. E. Williamson of Oil City and C. Richard Sitters of Everett, vice presidents; G. E. McConnell of Sewartsville, treasurer; and F. H. Seaworth of Lebanon, secretary.

The following directors also were named: C. F. Gleason of Harrisburg, O. A. Borden of West Reading, E. J. Leap of Hyndman, J. H. Coffman of York, John J. Foley of McConnellsville, H. R. Johnson of Uniontown, R. E. Elliott of Frankstown, Hope Larkins of Denner, Arthur Borden of Lebanon, Walter Perry of Pittsburgh, F. Allen Bell of Oil City and Frank Thomas of Philadelphia.

How Come Boys
But I am getting in the pool again. I have a special talent of barbarity to put me to sleep every time I think of the new New York Giants. I am sure the Pittsburgh Steelers of the Chicago Bears bring four and winning nose and of a strange outfit which the Cleveland Rams riding high atop the NFL standings.

I talked to Frank Cope, team captain of the Giants, two weeks ago. Just after the Giants had come from behind to tie the Boston-Brooklyn Yankees, 13-13.

The way the Pats grounds tied that one is worth mentioning. I took a last-second field goal by Ken Strong to do the honors. Strong, you know, is just a youngster. His age would make you blush. That's for Mel Hein and Cope and Anne Herbert too. It's a crime, the way Steve Olson is rubbing the trade. One of these days those boys are just going to let about 100,000, perhaps, as I was saying, I

And I am still looking for an answer. I listened to the words of Steve Strong, Green, the Giants coach, at a quarterback session last Monday.

Grove City Wins Mercer 'A' Title

Grove City High football team defeated Sayreville 26 to 7 on Saturday evening at the Sayreville field to take the Mercer County Class A title for 1945. A score of 120-000 was the result.

New Castle defeated Grove City in the opening game of the season here 26 to 0.

HERE AND THERE IN SPORTS' LAND

AMERICAN BOWLING CONGRESS reports that five bowlers have won the ABC singles championship the first year they entered the tournament. From this we can see that the only bowler for the 1945 event, in Buffalo in March, should be a big one. First bowler to win the singles in his first appearance in the ABC event was Carl Baumgartner, 21, of Cincinnati, who won in 1923 at Milwaukee. Others were Jerry Viero of Grand Rapids, Mich., winner in 1934; Charles Warren of Springfield, Ill., in 1936; Ray Brown of Terre Haute, Ind., in 1940; and Fred Ruff of Belleville, Ill., in 1941.

Interest in the fall sales of thoroughbreds to be held at Keeneland race track November 12-13 is beginning to rival that shown in the 1945 summer sales when an all-time high average for American breeding race horses was established. A total of 375 horses will go through the sales in those four days. Two sessions will be held daily. There'll be many more coaching changes in college football ranks next year. Dr. Eddie Anderson is returning to Iowa. Cmer Raymond (Ducky) Pond is coming back to Bates December 1. Ed Cmr Don Faurer will be back at Missouri shortly. Maj. Floyd Schwartzwalter has signed as head coach at Middlebury.

Promoter Bob Brickman and Matchmaker Larry Atkins of the Cleveland boxing firm are working on plans for a welterweight bout to be held in Cleveland this winter with Champion Freddie Goetzman defending his title against one of the leading welters, including Jimmy Doyle, Harold Green, Jackie Wilson or Chuck Hunter. Louis (Boom Boom) Mancini, the former Youngstown middle who now wears the Purple Heart, is back in the ring after service. Joe Bakst and Freddy Schott are expected to tangle in New York's Madison Square Garden in late December. Willie Pep returns to action in Buffalo, November 3. Gus (Pell) Mell, the Montreal light, has lost only three of 44 fights.

Johnny Kraft, former sports writer on The News, visited his newspaper friends Saturday. John has a very important position with Seelye and gets around the country considerably. Incidentally, he is in the pink of condition and reported he keeps that way 12 months in the year. During the summer, he visits a tennis racket and in winter plays squash. He was of the city's best basketball and aquatic stars. Henry Kaiser has offered \$200,000 to broadcast the Louis-Conn fight next June. George Marshall of the Washington Redskins may be considered as a contender. He had the field over green for the Redskins recent pro game. Some all-arounders, however, would be more popular if they are more and said less. If you can remember, whenever the year room of a tipping house was called a "whorehouse" you were right. A patron told a local saloon-keeper recently he was in favor of more bar cloths and fewer bar flies.

Fair Or Foul

By LAWTON CARVER
(International News Service Sports Editor)

NEW YORK, Oct. 29.—I am beginning to worry about the National Football league.

I am not worried about the fact that Commissioner Elmer Layden is beginning to play the league with football contracts the way our old beloved Kenesaw Mountain Landis used to operate with baseball players. Nor am I worried about Sleepy Jim Crowley, Mrs. Eleanor Gehrig, and their infant All-American football association. There has been a lot in the papers about the AAF, and about how the new league seems to be coming from the old and what have you. Some of it has been good publicity and some of it has been bad publicity and all of it has been publicity so much for the All-American league. More power to it.

And I am still looking for an answer. I listened to the words of Steve Strong, Green, the Giants coach, at a quarterback session last Monday.

"You have your ups and your downs," Mr. Olsen said. "You can't have your ups and downs." That, of course, is most disturbing. We now know why these things must be.

Uncle Sam Now Is Cupid, Too

Government Relaxes Immigration Law So GI's Can Wed Their Foreign Sweethearts

PHILADELPHIA, Oct. 29.—(INS).—Uncle Sam's got a heart—as many GI Joe's find out—as he tries to bring his overseas sweetheart to America for marriage.

Technically, the girl in another country would have to wait her turn under the immigration quotas, but warm-hearted U. S. officials have found a way to help the marriage knot with a minimum of red tape and delay.

It works like this:

Has to Enter Twice

The girl from the country with an oversubscribed quota is allowed to enter the United States as a guest. Upon marriage she is permitted to legalize her status in this country by going to Canada and then re-entering as the wife of a citizen.

Of course, immigration officials are quick to point out, satisfactory evidence must be presented from the very start of the journey. That's not always as simple as it may sound.

The girl must show, for instance, that should she change her mind after arriving in the United States, she has ample means of support and also has the means to return to her own land or another country, should this be necessary.

Evidence in Case

The man in the case must prove to a citizen, and show also that his intentions are steadily honorable through affidavits from his parents or relatives and others. Also, there must be ample proof on hand that the serviceman will be in the country when the bride-to-be arrives. For, if there's no one to greet the girl, she simply doesn't enter.

It was also pointed out that permission for this type of entry must be secured from the State Department representative in the girl's native country as well as in the United States.

But for soldiers who are already married—overseas, of course—the proceedings are much simpler. They simply file applications with the Immigration Bureau in Philadelphia and the wife files an application for

a visa with the State Department in Washington. The Washington officials have the final say, but in most cases the applications are approved and the wife is permitted to enter the country under the non-quota portion of the immigration act.

At Philadelphia, immigration officials said they have been receiving between 800 and 900 applications a month and now have on hand 400,000 to 50,000 of both civilian and soldier types. They are not classed separately.

"No favoritism is shown to soldiers over civilians," a spokesman said. "It's a case of first come, first served."

New Vaccine Is Used In Army To Halt Influenza

WASHINGTON, Oct. 29.—(INS).—The War Department is administering a powerful new vaccine today to every member of the Army in the United States in an attempt to prevent a possible recurrence of the dreadful influenza epidemic during 1917-1918.

In directing that a single injection of the newly developed vaccine be given every member of the Army in this country, the War Department expressed fear that influenza would sweep the country. It said:

Suggests Possible Epidemic

"The prevalence of virus influenza, type B, in outbreaks of respiratory disease in widely scattered areas during the months of May and June, 1945, together with other epidemiological considerations, suggests the possibility that an epidemic of influenza may occur during the coming winter."

The directive said that the vaccinations must be finished by the end of November.

At the same time it was stipulated that this vaccine be administered to servicemen embarking for overseas or traveling to the zone of interior or from one theater of operations to another.

Developed by the Rockefeller Institute, the influenza vaccine is being used widely for the first time to vaccinate the Army, but the Navy has not yet permitted its use. The government also has not yet licensed the vaccine for public use.

**Pfc. Ben Milone
Given Bronze Star**

Pfc. Ben J. Milone, of 106 East Reynolds street, has been awarded the Bronze Star medal for heroic achievements in connection with military operations against the enemy at Luzon, P. I., on February 4, 1945.

Pfc. Milone was one of a crew of five men on an M-7 self-propelled 105 mm. howitzer which demonstrated a high degree of courage in demolishing numerous hostile positions in the offense against Manila.

He has been in army service about five years, two of these overseas. His brother, Pfc. Joe Milone, is a service in Europe, and two other brothers, John and Willie, were recently discharged from navy service.

Executives Club Dinner Is Friday

Through error, it was announced that the next dinner meeting of the Executives club would be held on Tuesday evening, November 2. The date is Friday evening, November 2.

The speaker on this occasion will be Dr. Berd D. Orris, famous young American psychiatrist, of Chicago, who has studied in several European centers and has a rich cultural background.

His subject will be quite different from many of those heard by the club in the past.
